First and foremost, we'd like to thank each and every member of our orchestra that has worked tirelessly this concert season to put this program together. This is some challenging repertoire, and only through the dedication of our musicians can we put on a fabulous show — so thank you for your dedication, for your pursuit of excellent musicianship, and thank you for your unwavering enthusiasm as we worked on and refined pieces that challenged us.

Next, we'd like to thank the public, our fans, and our patrons, for their continued support of the arts and their pursuit of excellence.

We'd also like to thank Sacred Heart University, East Norwalk Library and the American Legion Post 12 for allowing us to generously use their space for rehearsals.

And finally, if you enjoyed our performance today, the greatest thing you could do is tell a friend!
