Committee Reports

- 1.) President's Report, by Bryan
  - a.) This is our Annual Members Meeting.
  - b.) Content:

*Thanks for attending the annual general members meeting of the NGSO. I wanted to highlight some of the things we've done in the past year before moving on to our plans for the upcoming year.*

*We've hosted various virtual events to stay engaged, including Virtual Recitals, Listening Parties, and our latest endeavor, the Digital Large Collaboration. In a time when we could not meet in person, these events helped us to stay connected as a community. Between the 6 recitals, we had 22 participants, and over 40 total pieces. And our first couple of Listening Parties have had solid attendance with tons of new music and discussion.*

*For this upcoming year, we plan to continue some of these virtual endeavors, with an eventual return to in-person rehearsals. The Virtual Recitals and Listening Parties give us unique experiences that expand on large orchestral rehearsals. While they will not be as frequent as in the past year, we plan to continue them in some capacity. As far as in person rehearsals go, we will plan to get started once we deem it safe, and once our rehearsal venues open up again. We will be looking into various measures and metrics to ensure we are practicing safely and in line with guidance from public health authorities.*

*Looking forward to seeing everyone in person soon!*

- 2.) Music Committee Report, by Lexi
